

Psalm 91 Confessions

**Repeat This: Because of Psalm 91, I can stand boldly against
The Coronavirus Pandemic**

SPEAK THIS BOLDLY

1. "I stand with you, God." I choose to believe God and therefore His promises are mine.
2. I meditate on and know who God is, where we live spiritually and what benefits come with our spiritual address
3. I see the Salvation of the Lord over and over as I call out to Him from this place as a secret place dweller.
4. I display the beautiful testimony of Jesus Christ who paid for my dwelling in the shelter of the Most High!
5. Coronavirus, you are not welcome in my body nor my home. In Jesus Name!

WHY SHOULD YOU BELIEVE IN PSALM 91?

(Lets speak this together)

1. I believe in Psalm 91 because God is "Elohim", the Supreme Creator. I trust in the God who created all things.
2. I believe in Psalm 91 because God is "El-Elyon", the Most High God. I live under the protection of the Most High God.
3. I believe in Psalm 91 because God is my El-Shaddai, the Almighty God. I dwell in the shadow of the Almighty God.
4. I believe in Psalm 91 because God is Yahweh, the Great "I Am". The Lord is my refuge and my fortress.
